When I need help

- I feel OK asking a teacher to help me
- I feel OK about asking a friend to help me
- I don't like to ask for help
- I am afraid people will laugh if I ask for help

Is there anything I should know about you that you want me to know? This can be something you want me to know that I won't tell anyone else; something medical like an allergy or anything else that is on your mind.
